

SCHOOL GARDEN

FROM A SMALL SEED, A

MIGHTY TRUNK MAY GROW

School Garden offers a place to enrich teaching efforts.

It makes learning come alive.

Why plant a school garden?

A school garden is a way to promote life-long healthy eating habits.

It connects students to the natural world.

Grow it yourself, plan a farm garden now.

Costs

Garden to cut food cost.

To plant a garden is to believe in tomorrow

All things grow with love.

Gardening is a sport, hoe for it.

**GARDENING
IS A WORK
OF HEART.**

**Eat and love
fruits
and vegetables.**

**Walk, lift, carry, dig,
plant, and rake.**

**Make sustainable
produce in school
meals a reality.**
